In your first moment with the Volkswagen Vento, you'll sense the familiar aura of great engineering, the sharp elegance of experience. But, the ever-present feeling of *déjà-vu*, hidden behind that exterior grace will always deem something distinctly new. One that will draw you closer to believe there's an even better version of better facing you.

Designed to follow you when good stops being good enough. Its luxuries like full LED headlamps with LED daytime running lights, reverse parking camera, auto-dimming interior rear-view mirror, automatic rain-sensing wipers and more, that make the Volkswagen Vento a new breed of engineering for the new you.

# STYLING

Beauty can only take you so far. But,  
how about going further with the bold  
bumper surrounding the chrome-finished

grille<sup>1</sup>. Make the hood's sharper lines a  
part of your chiselled look. Turn heads  
with the sleek air-intake, fog lights and  
static cornering lights<sup>3</sup>. And to break the  
habit of the ordinary, get electrically  
foldable side mirrors<sup>4</sup> with integrated

turn indicators that can be adjusted  
automatically from your seat, at the  
touch of a button.

The full LED headlamps with daytime  
running lights<sup>2</sup>, guarantee second glances.  
Elegantly around the headlamps, the  
beautifully crafted DRL will surely make  
heads turn.

**FOR THE  
BETTER VIEWER,  
THE BETTER VIEW.**

The back adds character with a stylish bumper and 3D effect tail lamps<sup>1</sup>. The door handle<sup>2</sup>, exhaust<sup>3</sup> and the strip above are all covered in chrome. Talk about a little more glimmer to the contours.

And as finishing touches go, we have added slick rear reflectors and bold alloy wheels<sup>4</sup>. A better view, indeed.

## FACE THE BETTER FUTURE.

## STEP INTO THE NEW WORLD.

Let the world take a backseat as the new you take control of the car.

The flat-bottom, multi-function steering wheel<sup>1</sup> comes with \*voice command controls and the climatronic air-conditioning lets you rule over the internal environment. The cooled glove box<sup>6</sup> keeps your drink cold during those long journeys while cruise control<sup>5</sup> maintains a steady speed. To ensure a safer drive, the Volkswagen Vento is also equipped with auto-dimming interior rear-view mirror<sup>2</sup> to automatically reduce the glare from trailing vehicles.

Drive with the comforts of luxurious upholstered seats and a height-adjustment lever on the drivers side. For the passengers at the back, comfort is never too far. A foldable armrest, rear air-conditioning vents<sup>4</sup> and a convenient cup holder make the journey relaxing, for all. The Volkswagen Vento is equipped with an intelligent rain sensor<sup>7</sup> to automatically signal the wipers at the sense of any rain. Perfect for those moments when you're faced with a sudden downpour.

And on congested streets or multi-level parking spaces, the reverse parking camera<sup>3</sup> on the dashboard will help you park the car with ease.

## INTERIOR

## FOR THE BIGGER JOURNEYS AND NEW STORIES.

Pack more than you need for, you never know where your next journey will take you. Comfortably load your luggage into the voluminously spaced 494-litre trunk<sup>1</sup> using the illuminated low-loading height boot.

The interiors are fitted with a concealed

mobile phone holder under the front armrest<sup>2</sup>, a bottle holder<sup>3</sup> on every door and a cup holder<sup>4</sup> next to the driver; giving you easy access, even to those smaller needs.

# ENGINE AND TRANSMISSION

## POWER TO GO FURTHER.

At the centre of the machine lies the revolutionary 1.2L TSI engine. Giving you 105 PS of raw power and 175 Nm of torque. But, what really outclasses the masses is the first-in-class 7-speed automatic dual-shift gearbox<sup>1</sup>, which ensures a smoother drive as the engine effortlessly switches gears.

And if diesel is your preferred choice of power, we also have the mighty 1.5L TDI engine with the same 7-speed automatic DSG transmission. More importantly, with a fuel consumption of 18.19 kilometres/litre (TSI) and 22.15 kilometres/litre (TDI), it gives you maximum power with minimum consumption.

Also available in a 1.6L petrol MPI engine.

## EVERY DIFFICULT ROAD IS STILL THE SAFEST ROAD.

Safety has always been an integral aspect at Volkswagen and is central to the Volkswagen Vento.

The Electronic Stabilisation Programme<sup>4</sup> (ESP), with Anti-lock Braking System<sup>3</sup> (ABS) will make sure you're in firm control on slippery roads or during heavy braking. On facing a steep incline, the Hill-hold<sup>5</sup> function will prevent the car from rolling backwards. The anti-pinch technology<sup>6</sup> will stop the windows from closing, on sensing even the slightest obstacle. Being equipped with dual front airbags<sup>2</sup> as standard, rear parking sensors as well as a reverse parking camera<sup>1</sup>, we make sure safety is an all round affair. And to always keep the car with its beloved owner, the Volkswagen Vento has an electronic immobiliser anti-theft device as standard.
